

DEMOCRATS HAIL SMITH AS "ONLY CANDIDATE"

IS RENOMINATED BY ACCLAMATION AT CONVENTION

Lunn's Appeal Against Recommendations Is Hooted Down

PLATFORM UP TODAY

Balance of State Ticket Also Will Be Voted On; Walker Slated For Senatorship

Convention Hall, Saratoga Springs, Aug. 3. — Governor Alfred E. Smith was unanimously acclaimed as the candidate for renomination by the unofficial Democratic state convention tonight. Although convention leaders had decreed that there would be no designation or recommendation of candidates for the fall primaries, on a roll call of the counties for an expression of opinion, "Alfred E. Smith" was the only response.

When Schenectady county was reached on the roll call, Mayor George R. Lunn, who earlier had vigorously fought against the expression of any preference, said that he had tried to make it clear that so far as Schenectady county was concerned there was no other gubernatorial candidate under consideration, but that he would decline to answer on the roll call because to do so would constitute a violation of the spirit of the direct primary law.

When the roll call for preferences was proposed, Mayor Lunn offered a motion that the convention refrain from such action, but it was lost by the overwhelming vote of 434 to 16.

Glynns Presents Governor's Name. Governor Smith's name was formally placed before the convention by former Governor Martin H. Glynns, who responded for Albany, the first county on the list. Others who spoke for the governor included D. Cady Herrick of Albany and Miss Harriet May Mills of Syracuse.

The convention adjourned at 11:06 p. m. until 9:30 a. m. tomorrow.

Tomorrow, the convention will adopt a platform and will call the roll of counties for an expression of opinion regarding the balance of the state ticket, two associate judges of the court of appeals, and U. S. senator.

Mayor Lunn put up a vigorous fight tonight, but he did not have the votes behind him. Backed by the solid Schenectady county delegation and assisted by a few delegates from upstate counties, he mustered only 16 votes on his motion to place the convention on record as opposed to designating or recommending, or by roll call endorsing any candidate. There were 434 votes recorded in opposition.

The convention was outspokenly hostile to Mayor Lunn. When former Congressman John J. Fitzgerald of Brooklyn referred to recent acquisitions to the Democratic party, there were cries of "Vote with the Socialists," "Throw out the Socialists," and "Go back to the Socialists," referring to the mayor's former affiliations with that party.

The rebuff administered to Mayor Lunn was merely an incident in the course of a session devoted almost entirely to an enthusiastic demonstration in honor of Governor Smith, who was acclaimed as the party's candidate for renomination.

Delegates Go Wild. At the first mention of Governor Smith's name by the permanent chairman, John K. Sague of Poughkeepsie, the delegates went into a veritable frenzy of enthusiasm, the demonstration of applause, flag waving, singing, and parading about the convention hall, lasting 15 minutes. There was another prolonged demonstration when former Governor Martin H. Glynns responded for Albany county on the roll call that was taken for the announced purpose of getting an expression of opinion regarding candidates for the nomination for governor.

D. Cady Herrick, also of Albany, a defeated candidate for governor in 1904, made an address that was virtually a seconding speech.

In the interval between the forenoon and evening sessions, the state matters were endeavoring to compile a ticket that would prove acceptable to the rank and file of the party as well as meet geographical requirements and reward party fidelity.

While no official declaration was forthcoming owing to the decision of the leaders that no recommendations would be made, it was seemingly accepted by many of the delegates that the preferences of the convention would line up as follows:

Governor, Alfred E. Smith of New York; lieutenant governor, George R. Fitz of Tompkins; comptroller, General Charles W. Berry of Kings; secretary of state, Miss Harriet May Mills of Onondaga; attorney general, Philip R. Laine of Erie; treasurer, John T. Taylor of Orange; state engineer, Paul McLeod of Washington; associate judges of the court of appeals, Abram I. Elkus of New York and Edgar S. K. Merrill of Lewis; United States senator, Harry C. Walker of Broome.

Late Start in Evening. The evening session was late in convening. At 8 o'clock, the hour to which a recess was taken, there were less than 20 delegates and a few scattered groups of spectators in the hall. Three-quarters of an hour later, a band marched into the hall playing "Tammammy," followed by a steady stream of delegates.

Temporary Chairman Frank H. Mott of Chautauque called the convention to order at 9 o'clock. Rev. John Fox, pastor of a Roman Catholic church of Saratoga Springs, delivered the invocation.

is to educate those of the delegates and others who have recently come into this party," he began. Mayor Lunn formerly was a member of the socialist party.

He was interrupted by catcalls and cries of "Throw out the Socialists."

Lunn Motion Voted Down. "What are we trying to do?" Mr. Fitzgerald continued. "It is to get away from the discarded secret methods? We must make up our minds after hearing discussed every possible candidate."

On a voice vote, the Lunn motion was tumultuously voted down. Mayor Lunn insisted on a record vote, and the roll of counties was called. The motion was lost by a vote of 16 to 434.

Harriet May Mills of Syracuse responded when the roll call reached Onondaga county.

"On behalf of women generally," Miss Mills appealed not only for the nomination and election of Governor Smith, but for the election of a Democratic assembly to support him.

"The women of this state know Governor Smith, Governor Smith understands the women," she said.

Miss Mills was the last formal address, other counties responding simply with the name of Smith as their preference for governor.

Women Ask Equal Representation. Saratoga Springs, Aug. 3. — "Bad" candidates or unworthy principles will have no place in the politics of women voters if they follow the recommendations of 65 women delegates to the Democratic state convention here, who met today at the call of Mrs. Frank A. Vanderlip, state chairman of the League of Women Voters.

"How Far Should Party Loyalty Carry a Voter?" "Why a Primary Is Better Than a Convention," and "Should Women Run for Office?" were questions upon which resolutions were passed.

Plans were presented to the convention resolutions committee urging equal representation with men for women on all county committees and on the Democratic state committee.

RETAILERS NOT TO BLAME. Only Advance Prices When Manufacturers Force Them To, Grocers Assert.

Poughkeepsie, Aug. 3. — Declaring that manufacturers should advertise extensively their advances in prices on all commodities and not "pass the buck" to the retailers for the latter to receive all the blame for the high rates, which they are not responsible for, delegates to the twentieth convention of the New York State Association of Retail Grocers, in session here, held a spirited discussion on the question today. One after another the grocers took the floor at the convention and said their prices had advanced only in proportion to the prices they have had to pay for all goods.

Principal speakers at today's session were A. C. Monagle, secretary of the Franco-American Food company; T. Thornhurst, secretary of the American Specialty Manufacturers' association; Secretary Whittier of the American Fair Trade league; and John H. Meyer, secretary of the Grocers' association. There are about 130 delegates attending the convention.

PONZI SAYS HE HAS MORE THAN ENOUGH TO MEET LIABILITIES. Boston, Aug. 3. — The hundreds of investors who today besieged the offices of Charles Ponzi, the foreign exchange financier, had dwindled to less than a dozen when closing time marked the end of the largest day's run since Ponzi discontinued receiving deposits. In the seven days' run, Ponzi claims to have returned to depositors between \$2,000,000 and \$4,000,000.

Ponzi, smiling and seeming confident of the outcome of the federal audit now being made of his books, declared that he had \$1,500,000 in banks in this country, which would more than cover all his liabilities.

Speculators did a brisk business during the day buying notes at from ten to twenty per cent discount from those who tired of waiting in line. The crowd, although much larger than yesterday, was more orderly, and it seemed they were being paid at a faster rate than on any previous day.

LOFTIS DEATH ACCIDENTAL. CORONER'S JURY DECIDES. Chicago, Aug. 3. — Samuel T. A. Loftis, head of the jewelry house bearing his name, who died under mysterious circumstances in his apartment last Friday, came to his death "from injuries suffered in a violent fall on the floor of his apartment after hitting against a door," a coroner's jury decided today.

Miss Ruth Wood, a 25 year old bookkeeper, who was alone with Loftis when he died, and Roy Shayne, her fiancé, were released from custody after the inquest.

Miss Wood said Loftis had called her to the apartment on a promise to do something for Shayne and then do nothing for her.

One of the most important reasons

Plane Pursues Bandits Who Looted Bank of \$20,000

Davenport, Ia., Aug. 3. — An airplane driven by Lieutenant Brerly and Fred Wallace, both men heavily armed, was started tonight in pursuit of the bandits who robbed the Moline Commercial Savings bank today. When last heard from, the aviators were scouring Henry and Mercer counties in Illinois. The bandits are known to have escaped in that direction.

Moline, Ill., Aug. 3. — Six men entered the Commercial Savings bank here just before noon today, locked the bank officials in the vault and escaped with \$20,000 after a running revolver fight with citizens and police. Charles Mohler, a barber, was shot and probably fatally wounded. The robbers fled in an automobile.

LABOR LEADER COMES OUT FOR SEN. HARDING. O'Connor Says Men Will Get Square Deal From Republican Nominee. TIERED OF DEMOCRATS. Change of Administration Needed to Restore Confidence in U. S., He Declares.

Marion, Ohio, Aug. 3. — Senator Harding held a conference today with P. V. O'Connor of Buffalo, president of the International Longshoremen's association, at which the labor situation was discussed generally and the candidate was assured of the support of the labor leader. Mr. O'Connor later gave out a statement covering his views.

Previous to his conference with Mr. O'Connor, Senator Harding had conferred at length with Senator Harry S. New of Indiana, chairman of the Republican Speakers' bureau, on matters pertaining to the speaking campaign. To what extent, if at all, the front porch campaign plan will be deviated from is understood to have been discussed.

Senator New asserted that no one in authority has said there would be no deviation from the plan and then proceeded to discuss the handicaps of a front porch campaign now as compared with the Harrison campaign in 1888 and the two McKinley campaigns in 1896 and 1900. Not only are railroad rates higher, but it is impossible for the railroads to furnish equipment to conduct excursions to the candidates home as in past years, he said.

Mr. O'Connor for Harding. A statement issued by Mr. O'Connor after the conference said in part: "I am for Senator Harding because I believe a change of administration absolutely necessary to restore confidence in this country. I know Senator Harding is a real man from whom labor will always get a square deal without any bare of trumpets or brass bands."

"I have heard a good deal of various leaders that are going to deliver the labor vote this year, but I want to say that nobody will deliver it. Labor is thinking as never before and is going to vote to suit itself. In 1916 I was away from home and lost my vote, but if I had been there I would have voted for Wilson. But the Democratic party has since then lost its claim for the confidence of the country. We must restore popular confidence in our government in order to put an end to the unrest that exists. The fact is that the world is in a bad scrape, and if the United States does not keep its feet on the ground the world can't."

Must Keep Out of Entanglements. "I deal with all nationalities except Asiatics in our organization, and I know that there is a general desire to get away from entanglements with European concerns. There is a good deal of apprehension among the men least conditions which they observe in Europe may reach here. They are determined to avoid anything of that kind if they can."

"It seems very plain to me that labor must support the Republican party this year. If the Democrats should win, the government would be turned over to the control of the solid south and the machine dominating Democracy in its attitude toward labor. It is completely out of step with modern attitudes toward such questions as women in industry, child labor, limited hours of labor, employers' liability, and the like."

Former Senator Bailey is campaigning for the nomination for governor in Texas with the open shop as his platform. I have never asked him absolute closed shop, but I certainly could not assent to the view that the southern democracy takes of the problems of labor."

Senator Harding is going to prove that he is a real printer. Today he threw aside his coat, rolled up his sleeves and "made up" the first page of his paper while motion picture machines recorded his actions.

All work in the newspaper plant being made and employees gathered about to see their boss working while side important conferences with party leaders remaining over here after the presidential nomination event next Saturday it was understood that Governor Cox wished to let Mr. Roosevelt be the principal Democratic figure at the press while the press was running, Hyde Park.

Several tailsmen were received today by Governor Cox from admirers who hoped their tokens would augment "Cox luck" during the campaign. Among them were historic telegraph receiving instruments sent by Commodore E. C. Benedict of New York, a friend of former President Cleveland. He said they were used by him in receiving returns of his election and also by President Wilson for both of his successful election campaigns national politics, but would deal periods.

Cox Busy With Correspondence. Dayton, Ohio, Aug. 3. — Governor Cox, Democratic presidential candidate, will be the guest of honor tomorrow and deliver an address at the annual picnic of the Gem City Democratic club of Dayton at Shiloh, about 10 miles north of this city. The Governor said he did not expect to discuss national politics, but would deal periods.

AVIATORS "STUNTING" FOR MOVIES KILLED

Omer Locklear, Famed For Exploits in Air, With Aide, Is Dashed to Death. Los Angeles, Aug. 3. — An investigation was started today by the coroner's office of the deaths of Lieutenant Omer Locklear and Lieutenant Milton Elliott, aviators, whose airplane last night crashed to the ground near Hollywood without having righted from a tailspin started at a height of 1,000 feet.

Locklear, known as a daredevil aviator, was performing by searchlight for a motion picture production when the fatal accident occurred.

Five searchlights played on the airplane as it started into the spin, and Lieutenant Locklear, the pilot, dropped a rocket which he followed with the nose of his machine.

Spectators said Locklear attempted to right his machine at a height of 200 feet, but failed as the machine burst into flames. The plane was ignited by the rocket, it was said.

Both aviators were dead when motion picture employees reached them a few seconds after they struck the ground. The bodies were burned and mangled.

The lieutenants were in the United States aviation service during the war and for a time were stationed together at Fort Worth, Texas. They took up commercial flying after the war, Locklear going in for "stunts." He was said to be the first aviator to leap from one machine to another in the air.

He was born 27 years ago at Como, Texas. His widow lives at Fort Worth. Lieutenant Elliott, 24 years old, was a native of Gadsden, Alabama.

THINK THEY HAVE KIDNAPPER. Federal Officials Confident Man They Hold Knows Whereabouts of Coughlin Child. Philadelphia, Aug. 3. — Postal inspectors who admitted today they arrested a man at Egg Harbor, N. J., yesterday, in connection with the kidnapping of the 13 months' old child of Mr. and Mrs. George H. Coughlin of Norristown, Pa., June 29, expressed the opinion that they had the right man. All efforts to learn the identity of the prisoner, who is said to be a foreigner, or where he is being held, have proved futile, the government agents positively declining to furnish any further information regarding the case.

Chief Postal Inspector George Leonard, of the Philadelphia district, said he believed the arrest would eventually lead to the recovery of the missing child.

The man under detention is declared to be the one who wrote a half-dozen letters to the parents of the child, signing them "the crank" and demanding \$12,000 be left under a deserted trolley station at Swedeland, near Norristown, as a ransom for the return of the child.

BUY MUNICIPAL TAXIS FOR USE OF N. Y. CITY OFFICIALS. New York, Aug. 3. — City officials, while using any one of the 25 new municipally-owned taxicabs, must not hang their feet out of the windows, or brace them against the driver's seat. Regulations instructing office holders to keep their feet firmly on the floor were posted in each of the cabs formally placed in service today after a grand review in front of the city hall by Mayor Hylan.

The taxis were purchased as an economy measure and take the place of individual automobiles which have been used as private cars by many office holders. Regulations for the use of the machines set forth that the taxis can be used only for official business.

DECLARE NO DIVIDENDS. New York, Aug. 3. — The board of directors of the American Cotton Oil company today decided not to declare any dividend on the common stock until the prices of commodities and general business conditions shall be more nearly normal. The last dividend on the common stock was one cent distributed June 1, 1920. The stock has been on a four per cent per annum basis since 1916.

Old Indian Fighter Here Again After Long Delay

New York, Aug. 3. — Richard Lacey, Irishman, who 59 years ago served several years in Uncle Sam's army fighting Indians in the West, gained readmittance to this country today after having been detained three months at Ellis Island. A bond of \$500, furnished by a nephew, removed the possibility of the old Indian fighter becoming a public charge and orders were received from Washington allowing Lacey freedom to stay in the United States at least six months.

"Thank God, I shall see America again," commented Lacey. "Eleven weeks today I've been here, all the while knocking at the door of the country for which I fought some 50 odd years ago. I hope I can visit some of the scenes of battles we had with the Redskins."

Lacey first came to this country when a boy and after completing his term of service in the army returned to Ireland.

ADVANCED R. R. RATES IN EFFECT AUG. 26TH. Date Fixed By Carriers, Now Seeking to Include Shipments to Canada in Increase. Washington, Aug. 3. — New freight rates and passenger fares will be made effective August 26 instead of on August 20 for freight tariffs, railroad officials announced tonight.

At the same time it was announced that the American railroads would ask the Canadian railroad commissioners for permission to make the new rates effective on transportation from the United States to the Dominion.

Decision to postpone the putting into effect of the advanced charges, authorized last Saturday by the Interstate Commerce commission, from the dates announced yesterday, was reached tonight after tariff experts of the carriers had informed Alfred P. Thom, general counsel for the Association of Railway Executives, that it would be impossible to have the blanket ready before August 21.

Under the orders of the commission, the new schedules must be filed five days before they become effective.

Application of the new schedules to transportation to Canada, officials said, will mean that shippers will pay freight charges under the new tariff for their classification territories unless shipment passes through more than one group before crossing the line, in which case the inter-territorial rate, which is to be advanced 3 1-3 per cent, would apply.

Canadian railways, it is said, will apply to the Interstate Commerce commission for authority to make the new charges effective on transportation from the Dominion into the United States.

15-YEAR-OLD YOUTH CHARGED WITH MURDER OF BOY SCOUT. Buffalo, Aug. 3. — Confessions made to the district attorney here today by three boys allege that Norman Kelly, 15 years old, was the slayer of Edward Pokrant, a boy scout who was shot dead in the woods near Ebenezer on Sunday.

The boys, the confessions allege, were in camp when Pokrant and a companion rode up on a bicycle. Kelly, it is alleged first shot the tires of Pokrant's bicycle and when the boy turned to run fired another shot that killed him.

Kelly and his companions are prisoners at the detention home. Kelly will be arraigned tomorrow, the district attorney said.

principally with reminiscences of his state career.

The Governor spent today close to his desk at his newspaper office here, trying to reduce piles of unanswered correspondence. He also considered further aid toward ratification of the woman suffrage amendment by Tennessee legislature. Mrs. George F. Bass, chairman of the Woman's bureau of the Democratic National committee, has reported, the Governor said, that prospects for ratification in Tennessee were unfavorable. The Governor is expecting a report on the exact line-up of the legislature late this week from personal representatives.

Governor Cox announced definitely today that he would not be able to attend the vice presidential nomination ceremonies for Franklin D. Roosevelt at Hyde Park, N. Y., August 9. Being an important conference with party leaders remaining over here after the presidential nomination event next Saturday it was understood that Governor Cox wished to let Mr. Roosevelt be the principal Democratic figure at the press while the press was running, Hyde Park.

Several tailsmen were received today by Governor Cox from admirers who hoped their tokens would augment "Cox luck" during the campaign. Among them were historic telegraph receiving instruments sent by Commodore E. C. Benedict of New York, a friend of former President Cleveland. He said they were used by him in receiving returns of his election and also by President Wilson for both of his successful election campaigns national politics, but would deal periods.

NO CHANGE IN U. S. ATTITUDE TOWARD POLES

Officials Nevertheless Anxiously Watch the Fighting. BREST-LITOVSK FALLS. Negotiations For Armistice Between Poland and Soviet Russia Are Delayed. Washington, Aug. 3. — With the deep rate plight of Poland emphasized in dispatches foreshadowing the imminent fall of Warsaw and telling of the proclamation in Polish districts of a Soviet government, the position of the United States towards the swift development of events in Europe today engaged the serious consideration of officials in Washington.

Despite reiterated appeals to the United States government by Poland through its minister, Prince Lubomirski, for extension of moral if not material aid, there has been as yet no disposition shown among officials to effect a departure of the United States from the neutral position assumed at the beginning of hostilities between Poland and Russia.

Officials have held that inasmuch as the present conflict originated from causes to which the United States was not a party, this country should continue its present position. Whether the United States might be moved to depart from this position of aloofness in the event of anything approaching a crisis in the relations of Russia towards Europe, officials refrained today from indicating.

Upon one occasion at least, it was recalled, this country was moved to take a hand in behalf of Poland in assisting that Czechoslovakia impose no obstacles to transportation through her territory of supplies destined for Poland. At the same time, however, this action was defended on the grounds that the supplies were purchased from this country by Poland prior to the outbreak of hostilities with Russia.

There also was recalled the declaration of war made against the United States by the Soviet government in a "wireless" proclamation upon the entrance into Russia of the American expeditionary forces. Such a state of war, however, was never recognized by this government.

The state department was still without definite reports today regarding developments in the armistice negotiations between the Polish emissaries and Soviet leaders.

The latest information as to military operations received by the department indicated that Bialystok, northeast of Warsaw, had been lost by the Polish forces. The Red army in its advance was reported to have passed Bransk, southwest of Bialystok. The department's dispatches also indicated that the Polish lines had been stiffened.

Last Great Fort Guarding Warsaw Falls to the Reds. Warsaw, Aug. 3. — Brest-Litovsk, the great fortress guarding Warsaw from the east, has apparently fallen before a tremendous assault by the Russian Bolsheviks. North of that place Soviet forces have smashed their way forward in their drive westward to a point only 60 miles east of this city.

Over a front of 120 miles, Polish armies are being pounded to pieces before the rush of Bolshevik hordes which are being hurled into the battle in a desperate attempt to capture Warsaw before the conclusion of the armistice conference at Kobryn. Reinforcements are everywhere being hurried to the front by the Russians to complete the defeat of the Poles before hostilities are halted.

Sixty Miles From Warsaw. An official statement issued last night showed the Soviet armies had reached a line running from Kossaki to Ciechanowicz, which is only 60 miles from this city, with which it is connected by an excellent automobile highway.

Great masses of Bolsheviks have been flung against the Polish breastworks defending the part of Brest-Litovsk east of the River Bug. Fugitives who arrived here last night from that city reported the Soviet forces were in control of the eastern half of the town. It is officially admitted the Russians have reached Mielnik, northeast of Brest-Litovsk.

Delegates Return With Demands. London, Aug. 3. — Negotiations for an armistice between Poland and Soviet Russia have been delayed, according to a wireless dispatch received here from Moscow. It says the Polish delegation left Brankovitch for Warsaw on Monday to present to the government the Soviet demand that the Polish delegates be given mandates for signing, not only on armistice agreement but also a protocol setting forth fundamental conditions of peace.

"Without this," the message declares, "it will be impossible to conclude an armistice."

Results of Yesterday's Games

NATIONAL LEAGUE

CUBS MAKE IT THREE STRAIGHT.

His by Mack, Terry and Parkert won Ten-Inning Game for Chicago.

Philadelphia, Aug. 3. — Hits by Mack, Terry and Parkert won a ten-inning game for Chicago today, making three straight from the locals. Williams' eleventh home run of the season scored the only Philadelphia tally.

les, three games to one. Toney was a puzzle to the world champions except in the fifth inning, when the Reds bunched three hits with Spencer's error for their lone tally.

AMERICAN LEAGUE

INDIANS WIN FROM SENATORS.

Game Is Characterized by Hard Hitting and Reckless Base Running.

Cleveland, Aug. 3. — Cleveland won from Washington today, 10 to 5, in a game characterized by hard hitting and reckless base running.

PIRATES ARE VICTORIOUS.

Pittsburgh Take Advantage of McQuil-
lan's Wildness in Second Inning.

Boston, Aug. 3. — Pittsburgh defeated Boston, 3 to 2, today, taking advantage of McQuilhan's wildness in the second inning.

Pittsburgh . 12 00000000—3 6 1
Boston . . 00000000—2 8 2

Batteries — Alexander and Kibler, Rixey and Wheat.

ROBINS TROUCE CARDINALS.

Brooklyn Hammers St. Louis Hur-
lers and Is Victorious, 10 to 4.

Boston . . 100101000—3 10 0
Detroit . . 010000000—1 6 2

Batteries — Pennock and Schang;
Ayers, Okrie and Manning, Stange.

CUBS TRIM WALTON 3-1

Visitors Bring Trim Goat With Bright
Green Blanket, but Kinneer Gets
Their Goat With His Twists —
Some Fast Fielding Seen.

Despite the trim goat with a neat
new green blanket which the Walton
bunch brought over with them as
mascot at the game with Wednesday's
Cubs at Neahua park yesterday af-
ternoon, Kinneer had their goat so to
speak and they were able to garner
but one run while the locals were
putting three across the plate, two of
them earned by good fast ball. The
Walton team is composed largely of
salaried players picked up around
New York city and they played good
ball and gave the spectators their
money's worth in a game which
abounded in fast plays, two double
plays being pulled and some hot ones
nabbed. Those who remained away
lost one of the good games of the
summer.

Walton's lone run was made by the
first man up in the first inning, Lone-
gan, who singled to left and was ad-
vanced to second when Tryon let one
of Kinneer's wide ones bound out of
his glove and roll back to the stand.

Sweeney fanned and Miller fled to
Gardner in left. McNish rolled one
toward Kinneer, which when he had
picked up and swung around, he snap-
ped rather sharply to Marone. The
latter let it get away from him and
before he could recover it and field it
home Lonegan had crossed the rub-
ber. They got a man on the second
and third by the single route but met
with disappointment when Tryon got
Ehrhardt's foul fly after a hard run
in the second and when Reiter pulled
down Miller's line drive and shot it to
Duval, completing a double play.

Thereafter the visitors were never
near scoring, although they pulled out
a single in the fifth and a base on balls
in the ninth.

The Cubs got one also in the first.
After Tryon had been hit by a pitched
ball he came all the way around from
first when Kinch dropped Marone's
long fly to deep center. The other
two runs of the locals were earned and
by good playing. Duval opened the
sixth with a two-bagger to left, was
advanced to third by Reiter's sacri-

fice bunt and came home on Tryon's
long fly to Kinch. In the seventh, an-
other was added when Dempsey sin-
gled, stole second, went to third on
Kibbe's single and came home on the
squeeze play, in which Gardner did
his part at the bat cleverly.

In the first seven innings, Marone at
first for the Cubs had but two put
outs, a remarkable occurrence, but
in the next two he got five of the six.
Lonegan did some sensational field-
ing for the visitors and Duval had the
honors for the locals. The box score
follows:

ONEONTA—	AB.	R.	H.	P.	O.	A.	E.
Duval, 2b.	3	1	2	3	4	0	
Reiter, 3b.	3	0	0	3	1	1

MARKET ENDS WITH UPWARD PRICE WHIRL.

New Low Figures for Current
Movement Had Been Estab-
lished During Day

New York, Aug. 3. — Today's ses-
sion on the stock exchange ended with
a vigorous upward whirl of prices, led
by investment rails, after an interval
of weakness, in which new low figures
for the current movement were estab-
lished.

Early strength on seeming evidence
of an oversold condition was most
pronounced in rails, steels, shippings,
motors and oils, but many of these in-
dustries slumped badly later.

Pressure of stocks was traceable in
part to the closing out of weekly mar-
gined accounts. The activities of the
bear faction were assisted by rumors
of new financing, decreased earnings,
uncertain business outlook for various
companies because of traffic conges-
tion, and fuel shortage, acute weak-
ness of sterling, and the unfavorable
Polish situation.

Investment railroad shares, such as
Canadian Pacific, Great Northern, pre-
ferred, Northern Pacific, Southern Pa-
cific, and Union Pacific were pur-
chased confidently.

Ford
THE UNIVERSAL CAR

The Ford Sedan is the favorite fam-
ily car, seats five comfortably. While
an enclosed car with permanent top,
it has large windows, and may in a
minute be changed to a most delight-
ful open car with always a top pro-
tecting against the sun. In inclem-
ent weather, it is a closed car, dust-
proof, water-proof, cold-proof. Fine-
ly upholstered. Equipped with elec-
tric starting and lighting system and
demountable rims with 3½-inch tires
front and rear. A real family car.
Won't you come in and look at it?
The delights of the electric car with
the economy of Ford.

OTSEGO COUNTY NEWS

SCHUYLER LAKE NEWS.

Mrs. Willard Ball, former resident, dies at Utica.

Schuyler Lake, Aug. 3. — Carrie A. Watson, wife of Willard Ball and a former resident of this place, passed away Friday at noon at the Masonic home at Utica from Bright's disease. She was a daughter of Clinton and Katherine (Smith) Watson and was born at New Lisbon March 27, 1849. She was married on Dec. 25, 1867, to Willard Ball. About 40 years ago they went to Joliet, Ill., to live and had since resided there until July 4 of last year, when they went to the Masonic home, as they were both in feeble health. Mrs. Ball was sick only about three weeks. She was an active member of the Eastern Star of Joliet, also a devoted member of the Congregational church of Joliet. She leaves, besides her husband, two brothers, Nelson Watson of Phoenix and Henry, whose whereabouts are not known. The body was brought here Monday and short services held at the grave in the village cemetery.

Local Notes.

G. Glenn Mercer of Schenectady was a week-end guest of his parents.

PILES! PILES! PILES!

WILLIAMS' PILE OINTMENT
For Blind, Bleeding and Itching Piles.
Furnished by all druggists, mail 15c and \$1.00.
WILLIAMS' PILE OINTMENT, Painesville, Ohio.
On Sale at Marsh, The Druggists.

here. — Mr. and Mrs. Fred Robinson spent a few days recently with friends in Albany. — Master Allen Washburn has returned home, after spending several days with relatives at Burlington Plaza. — The members of Arbutus chapter, No. 117, O. E. S., will hold a picnic on the lawn of Mr. and Mrs. C. W. Mercer Thursday. Each person bring spoon, fork and cup. All members and their families are invited. — Waldo Clarke is spending a few weeks with relatives at Burlington Green. — Nelson Watson of Phoenix is spending a few days with relatives in town, called here to attend his sister's funeral. — Willard Ball of Utica is spending some time with friends in town.

VARIED MILFORD MATTERS.

School District Meeting Tuesday—W. C. T. U. Meets This Afternoon.

Milford, Aug. 3.—The annual meeting of the qualified voters of School district No. 1, Town of Milford, was held at the school house in this village on Tuesday evening of this week at 7:30 o'clock.

Annual W. C. T. U. Meeting.

The annual meeting of the Milford Woman Christian Temperance union was held at the home of Mrs. M. McRorie on West Main street Tuesday afternoon at 2:30 o'clock.

Leave for Arnold's Lake.

Attorney and Mrs. C. E. Merriam left Monday for Arnold's lake to spend two weeks at the Harrison camp.

S. E. Harrison and family, who have been at the lake a month, returned home yesterday.

Commerce Shipping Milk.

A. O. Weatherly & company, who have been manufacturing American and pineapple cheese all summer, commenced Monday shipping milk to New York city.

Milford at Oneonta Wednesday.

The Milford base ball team will play Weidman's Cubs at Oneonta on Wednesday afternoon. Other games scheduled will be announced soon.

THE BIRDSALL MEMORIAL.

Lych-Gate Will Hold Cooperstown Rector in Remembrance.

Cooperstown, Aug. 3. — The community will undoubtedly be interested to learn that a memorial to the late Rev. Ralph Birdsall, rector of Christ church, will take the form of a lych-gate, to be erected at the River street entrance to the churchyard.

The lych-gate is of English origin, and while uncommon in America, is often to be seen in English country churchyards. Apart from its singular picturesqueness, it has a distinct use, providing a stopping-place and shelter for funeral and other processions approaching the church, as well as affording a quiet and attractive spot where people may sit and rest.

The structure will be built mainly of brick, with the gable roof, the beams, and the benches probably of heavy oak. There can be no question but that it will add greatly to the beauty and dignity of the churchyard, and that it will give an appropriate outward embodiment to the feeling of affectionate esteem in which

the Rev. Ralph Birdsall was held, not only by his own people, but by the whole village as well.

The peculiar fitness of the proposed memorial lies in the fact that for some years back the late rector of the parish very keenly desired the erection of such a lych-gate, and even went so far as to have a tentative design drawn up. This sketch, which many of his friends will remember having seen in the rectory study, was posted in the vestibule of Christ church Sunday, and will be placed there again on Sunday next for the inspection of all who may wish to get more clearly in mind just what a lych-gate is. The design, which is now being prepared and will eventually be utilized, will differ in many details from this sketch, but will carry out, however, the same general idea.

Much credit is due the members of the committee for their devoted and zealous labors in securing funds for the memorial; and although further contributions will be most welcome, it is gratifying to know that a sufficient sum is now in hand to warrant the work being started almost immediately.

PORTLANDVILLE POINTERS.

Portlandville, Aug. 3. — Joseph Clucas and family of Piermont are spending their vacation with Mr. and Mrs. George Tunnicliffe. Mrs. Clucas will be remembered by many friends here as Miss Helen Tunnicliffe. — Mrs. Florence Chase and son, Mayne, who have been visiting friends here, left on Sunday evening to visit with relatives at Milford and Cooperstown. — Luman Brownson and friend, Mr. Green, of West Oneonta, were callers here Friday. — Mr. and Mrs. E. Vanderveken of Oneonta spent Sunday with her parents, A. Ryess and wife. — Superintendent Frederick and family of Oneonta were callers at J. J. Townsend's Sunday afternoon. — Remember the Boy Scout meeting Wednesday night. — Mr. and Mrs. Jay Rose, Jay Rose Jr., Mrs. Rhea Casey and Mr. and Mrs. Vening and son were Sunday guests of Mr. and Mrs. H. Pride. Mr. Rose is a brother of Mrs. Pride. He, with his wife and daughter, will spend a two weeks' vacation here. — Mrs. Cora Allison has returned from Mt. Vision, where she has been for about three weeks, caring for her aunt, the late Mrs. Lucy Pride. — Miss Dora Furgerson of Milford Center is seriously ill. She is attended by Dr. E. J. Parish of Oneonta.

Two Cows Killed at Mt. Vision.

Mt. Vision, Aug. 2. — A cow belonging to Arthur Edgett was killed Saturday afternoon during a thunder shower. The lightning struck the wire fence and then glanced, killing the animal.

Mr. Trowbridge, who lives near here, had a cow killed by a Southern New York trolley last week. The animal was a valuable one, its owner having recently paid \$150 for it. A test had shown it to be free from tuberculosis.

DELAWARE COUNTY NEWS

NORTH KORTRIGHT NOTES.

A Musical Treat Is Near When Prof. VonNeer Gives a Concert Here.

North Kortright, Aug. 3. — Prof. VonNeer, assisted by Mrs. VonNeer and talented guests from the popular VonNeer summer hotel, will give a concert this month in the North Kortright church. This is the church in which Prof. VonNeer had his first experience in public singing when Bennett Graff, as "presenter," led the singing. All are looking forward to a real treat and an evening of enjoyment. Announcement of the date will be made later.

Exchange of Pulpits.

Rev. R. R. Irwin will preach in the Gilchrist Memorial church, Kortright, next Sunday in exchange with Rev. W. L. Warnack, who is supplying the pulpit there. On the following sabbath, August 15, there will be no service here, as Mr. Irwin will be away.

Property Changes.

R. L. Smith of Kortright has sold his meat market and grocery business to Henry Utter.

Mrs. Nellie Harkness has sold the Arnold property at Kortright to William Lee and has bought the Whigham house.

Florida Residents Here.

Mr. and Mrs. Jay Palmer of Tampa, Florida, are spending several weeks at the homes of Mrs. Palmer's brothers, Robert and J. A. Stronigan.

Guests from Massachusetts are at the home of Arthur Loring for a few weeks. They are his mother, Mrs. Rachel Loring of Hingham, and a sister-in-law, Mrs. Lizzie Loring, of Brockton. Mr. Loring's brother motored through with the ladies and returned.

Mrs. Sturges Entertains.

The Woman's Missionary society will be entertained by Mrs. R. H. Sturges Thursday of this week at her home.

More City Boards.

Six city boards are located at the home of Mr. and Mrs. J. A. Rowland.

The Car Pleases.

Gould VanDusen is well pleased with his new Oakland six roadster, and so are the girls—all of them.

DAVENPORT CENTER COMMENT.

Davenport Center, Aug. 3. — Mr. and Mrs. J. H. Starley of South Kortright were callers at A. H. Potter's and G. E. Simmons' Sunday. — Henry and Etta Sloan are spending a week with Mr. and Mrs. Adelbert Banner at Hartwick. — D. Beers and Mr. and Mrs. Harlow Munson and three children of Oneonta were guests of Mr. and Mrs. James Utter Sunday. — Mrs. I. Doolittle and daughter, who have been stopping at Butts' hotel, returned to their home in Binghamton Saturday. — Miss Lena Redfield is visit-

Coming Thursday and Friday

The big special you have been waiting for, and it's one big bunch of joy, not a gruesome scene in its entire length; so let's all go.

"THE LUCK OF THE IRISH"

An ALLAN DWAN, Production

From the story by Harold MacGrath

You have, no doubt, read the book and enjoyed every word of the story—and how you were carried away by the philosopher of the soldering iron! His quaint summary of life amused you. His feats of strength thrilled you. Grogan was a flesh-and-blood character, the kind one would like to know and have about if placed in the same position in which the cultured little school ma'am, Ruth Warren, found herself. You remember the great incidents of the trip around the little "walnut," the exciting adventures, and hair-breadth escapes.

Allan Dwan has visualized it in a most artistic and exciting manner. If the book thrilled you, the photo drama will keep you spell-bound from start to finish. Do not miss this treat.

CAST

William Grogan James Kirkwood
Ruth Warren Anna Q. Nilsson
Camden Harry Northrup
Norton Colburton Ward Crane
"The Kid" Ernest Butterworth

Remember that specials may come and specials may go, but this is one you will remember for a long time. It broke all records at the beautiful New Capital Theatre, New York City.

EDITORIAL BRIEFINGS

The difference in men is indicated
by the replies Sir Thomas Lipton and
the managing director of the group of
Americans who built the Resolute,
the cup defender, in their re-
plies to a group of newspaper
men suggesting that the public be
permitted to inspect the two boats.
Sir Thomas immediately acquiesced,
but the American director said he
couldn't be annoyed. It is too bad to
win in the sailing race and lose out
on courtesy.

It may be that Ponzi, the Boston
financier, has found a way by which
temporarily he can juggle foreign ex-
change and make immense profits;
but if he has and is able to pay 50 per
cent interest on 90-day notes, it will
in the end be unfortunate, since it
will inspire the public, or at least a
part of it, to believe in other get-rich-
quick schemes unquestionably dishon-
est. From the South Sea bubble to
the present time there have been such
schemes, and the percentage of fail-
ures, up to Ponzi, has been one hun-
dred.

Experts for the government who
have visited the agricultural sections
of the state say that the hay crop
will be light, but that there will be a
heavy crop of practically everything
else. Not all farmers agree with this
report of the hay crop, and in fact,
those farmers who did not hurry the
harvest are said to be getting fair re-
turns for delay. However, much de-
pends on location; and in fact farm-
ers appear to have had better luck
raising hay this year than in curing it
and getting it into barns.

Many who heard Ex-Governor Han-
ly when he spoke in Oneonta several
years ago must have learned with re-
gret of his tragic death in an auto
accident on Sunday. He was a man
of character and attainments, firm in
his convictions and outspoken in argu-
ment.

The New York city committee ap-
pointed for the purpose has reported
by a large majority in favor of a Hud-
son River bridge as a permanent mem-
orial for the soldiers of the World
War. The public will agree with the
recommendation because it is a sen-
sible proposition and the city needs the
bridge. Other cities and even smaller
communities may well consider some
similar project in place of the cus-
tomary monument. Not necessarily a
bridge, but memorial parks, ave-
nues, libraries, archways, community
centers have been suggested.

A hundred thousand dollars, rep-
resenting the contributions of 100,000
Cubans to the Roosevelt Memorial
fund, was received last week. These
are figures greater than his own Uni-
ted States can boast of, when the popu-
lation of the island is considered.
Every member of the Cuban regular
army made a contribution. Truly, the
island republic remembers the Roose-
velt of the war of 1898 and is not
ungrateful.

It is the opinion of the New York
World, the most representative of
Democratic metropolitan dailies, that
there is no sane reason for contin-
uance of the present high level of
wages except increased efficiency. The
public at large will agree with the
World in this and in its further state-
ment that arbitrary interference in the
workings of economic law may
say its course but cannot prevent ul-
timate readjustment.

Goodyear Lake "Needs Mowing."

Star readers will recall mention
made in these columns a few days ago
of the moist misadventures of Ray-
mond Glazier and Garry Cornick,
Binghamton canoe artists who were
ducked in the dam at Oneonta on their
way down the river from Coopers-
town. The young men reached Binghamton
Monday evening and reported that
Cornick was ducked twice and
Glazier once, that their blankets were
wet through when they left Coopers-
town a week before and that they
never did get thoroughly dried, and
that they "shot" ten dams on the
route and had to "carry" at Coopers
and Center Village. Otherwise the
trip was uneventful.

"Good; ear lake is a great place,"
said Cornick as he tried to paddle
through the thick cool grass covering
its surface, "if the lawn was only
mowed!"

Assessors Hear Grievances.

The assessors of the city of One-
onta held their first grievance days
Monday and Tuesday at the Municipal
building. There were a few tax-
payers visiting the office for the pur-
pose of finding the amount of their
individual assessments, and incidentally
to see how they compared with
others in their immediate neighbor-
hoods, but in general the day passed
without incident. The necessity of the
increase was generally conceded, and
it is believed that the assessors have
done their work well. They will
meet again today for the same pur-
pose and at the same place.

TO FORM ORGANIZATION.

Members of the Famous 27th Division
to Hold Reunion at Saratoga.

The Twenty-seventh division of the
American expeditionary force, com-
posed of New York state troops, and
which broke the famous Hindenburg
line in the great World war and took
part in other famous and decisive en-
gagements of that conflict, will hold its
reunion at Saratoga Springs Septem-
ber 13 and 14, at which time a perma-
nent organization of its veterans will
be formed. The Twenty-seventh di-
vision includes the members of Com-
pany G and others of the First regi-
ment, and other organizations of the
old National Guard of New York, in-
cluding those from this section of the
state. Therefore the whole state and
especially those places which were
represented by units in the division,
are deeply interested in the coming
reunion and in the plans to form a
permanent organization, which will in-
clude in its membership some 27,000
men and of whom over 5,000 are ex-
pected to be present at the celebration
next month. The Twenty-seventh di-
vision, commanded by Major General
John F. O'Ryan, made a great record
in the World war. Its troops proved
that they were among the best that
fought in that conflict. Their achieve-
ment in breaking the Hindenburg line
will give their division a place in his-
tory that will live as long as the mind
of man shall survive. The Twenty-
seventh division was a great organiza-
tion. It made its prowess felt in every
battle in which it participated. It
held aloft the standard of Old New
York state and its members have mer-
ited the eternal gratitude of their fel-
low countrymen.

Nestle Company Figures.

The important part which the local
plant of the Nestle's Food company
plays in the industrial life of Oneonta
is shown by figures just given out by
Plant Superintendent Spindler, of the
number of pounds of milk collected by
the patrons of the plant in the month
just past, the moneys paid for same,
the number of patrons who supplied
the milk, and the plant payroll.

The figures available show that the
local plant received during the past
month 2,957,722 pounds of milk from
404 patrons, and that the farmers re-
ceived, \$34,052.31.

The money paid out in salaries to
employees at the plant during the same
period amounted to \$2,761.53.

Harold Taylor Is Surprised.

A surprise party was held Monday
evening at the camp of E. M. Ronan
on Goodyear lake by friends in honor
of the twenty-sixth birthday anniver-
sary of Harold T. Taylor, athletic su-
pervisor at the Oneonta High school.
The camp was attractively decorated
and after a tasty lunch was served,
the evening was pleasantly spent in
the enjoyment of music, dancing,
games and other social diversions.
Many birthday presents were pre-
sented by friends.

Ice Cream on Sale This Evening.

Laurens, Aug. 3.—The Home Econ-
omics club will hold an ice cream so-
cial on Mrs. Claire Wickham's lawn
this (Wednesday) evening. Everybody
come and enjoy the home-made ice
cream.

Otego Home Economics Club.

The Otego Home Economics club
will meet today at the home of Mrs.
F. J. Tyler. Every one interested in
Civics is invited to attend, bringing
sandwiches and one other dish.

You'll never know how much genu-

ine good cheer, solid comfort and real
satisfaction are in a cup of tea until
you have drunk Biwa.

Dodge roadster in fine shape. Come

and see it at the Francis Motor Sales
company.

Nothing Like Bi-nesia

To Relieve Indigestion

Prove it yourself to your own satisfac-
tion. Just eat a hearty meal of the good
things that usually make your stomach
lump up a fuss. Then take three little
Bi-nesia tablets with a sip of hot water.
Note the entire absence of the usual pain
and discomfort. That's because indiges-
tion simply can't exist in the same stom-
ach with Bi-nesia. Don't suffer any longer
with indigestion, gas, acidity or food fer-
mentation. Go today to your druggist and
get a package of Bi-nesia tablets—and the
as directed. Then you will soon be telling
your dyspeptic friends that they can eat
what they like if they take Bi-nesia.

Star readers will recall mention

made in these columns a few days ago
of the moist misadventures of Ray-
mond Glazier and Garry Cornick,
Binghamton canoe artists who were
ducked in the dam at Oneonta on their

WOMEN'S BOARD OFFICERS

Of Fox Memorial Hospital Chosen at
Annual Meeting Yesterday.

At the annual meeting of the wo-
men's board of the Fox Memorial hos-
pital, held at the hospital building
yesterday afternoon, the following of-
ficers for the coming year were chosen:
President—Mrs. Walter S. Whipple.
First Vice President—Mrs. Lillian
Kirkland.
Second Vice President—Mrs. Walter
L. Brown.
Third Vice President—Mrs. Charles
Smith.
Fourth Vice President—Mrs. I. E.
Dauley.
Secretary—Mrs. C. E. Marsh.
Treasurer—Mrs. J. J. Turner.
Directors, one year—Mrs. George B.
Eard, Mrs. Charles H. Bowdish, Mrs.
O. E. Rowe, Mrs. Martha Strong, Mrs.
H. W. Fluhner.
Directors, two years—Mrs. Merton
L. Ford, Mrs. H. W. Lee, Mrs. F. L.
Dibble, Mrs. C. C. Colburn, Mrs. Clara
Hurst, Mrs. L. C. Millard.
The report of the treasurer showed
the organization to be in a good finan-
cial condition. The board voted to
purchase four bath cassettes.

Lutheran Sunday School Picnic.

The fifteenth annual picnic of the
Lutheran Sunday school will be held
in Neahwa park Thursday, Aug. 5th.
All members and friends are asked to
come and enjoy the occasion. There
will be various games and amusements
and plenty of good things to eat.

The Sunday school and friends will

assemble on the church lawn at 1:30 p.
m. sharp and proceed to the picnic
grounds. Supper will be served at 5:30
p. m. All are asked to bring sand-
wiches, cake, lemons, sugar, etc., un-
less otherwise solicited by committee
in charge of refreshments.

The children will be in care of the
officers and teachers and the greatest
caution will be exercised that no harm
befalls them. Parents unable to at-
tend can feel assured of this fact.

Entertain at Dinner Party.

Misses Yula and Evelyn Grosfant
entertained a party of friends at din-
ner Monday evening at their home, 41
Center street, in honor of William T.
Rodgers of this city. The guests were
Misses Katherine Fallon, Ethel Bal-
lard and Carolyn Richards, and Mes-
srs. Charles Buck, R. Winne, Thomas
Sanbridge and Charles Hotelling.

Marriage Annulled.

Among the recent judgments en-
tered in the county clerk's office of the
county of Otsego of local interest is
the one annulling the marriage of
Ruth McCoy to Harry J. McCoy. Both
parties are residents of this city.

Myers Family Reunion.

The annual reunion of the Myers
family will be held Wednesday, Aug-
ust 11, at the home of Mr. and Mrs.
Charles White, West Oneonta. All re-
lated by blood or marriage are cor-
dially invited.

Lost—Saturday, either on street or

in grocery stores, a diamond ring.
Finder return to 162 Main street and
receive reward.

JOYFUL EATING

Unless your food is digested with-
out the aftermath of painful acidity,
the joy is taken out of both eating
and living.

KI-MOIDS

are wonderful in their help to the
stomach troubled with over-acidity.
Pleasant to take—relief prompt and
definite.

The Way of TODAY

Yesterday it was bottled milk that everyone used.
But the way of today—the richer, better milk—is
Nestlé's Every Day Milk—at your grocer's.
It's more convenient because you have it on hand when
you want it; economical because it requires no ice; richer,
because the useless water has been taken out and
purer because it has been pasteurized and sterilized.
Keep house the modern way.

LOCAL MENTION.

—There were issued from the city clerk's office during the month of July, 12 marriage licenses, 1 dog license and 17 hunting licenses.

—G. A. TenEyck of Johnstown, recently discharged from the army after seven years' service, has been engaged jewel worker.

—All Boy Scouts who desire to go on the camping trip are requested to register at the Chamber of Commerce not later than 5 o'clock Thursday evening. There will be a short meeting of all Boy Scouts who are going camping at the Chamber of Commerce rooms on Thursday evening at 7:30.

TWILIGHT LEAGUE TO OPEN.

First Game of Series Takes Place Today at Neahwa Park.

Arrangements for the twilight baseball league to be conducted this month by six amateur teams of the city were completed at a meeting of the managers held Monday evening at the Y. M. C. A. The schedule for the first week was decided upon as follows:
Wednesday, August 4.—Wanderers vs. Y. M. C. A.
Thursday, August 5.—Shops vs. Reds.
Friday, August 6.—Italian All Stars vs. Nine Spots.

All of the games will be played in the evening at the Neahwa ball park and will be free to the public. It is planned to arrange some fast amateur contests between the teams making up the league.

NO LABOR DAY CELEBRATION.

Meeting Last Evening Decided Time Too Short for Preparation.

There was a fairly well attended meeting last evening of members of the various labor unions of the city for the purpose of considering the proposed day celebration on Labor day. While some of the men present were heartily in favor of the movement, it was the general opinion that the time was not long enough to arrange for such a demonstration as had been suggested, and that it would not be possible within two weeks to submit the matter to meetings of all the unions for approval. It was therefore decided not to proceed further with the project.

Loles Bros. Lose Pop-Corn Wagon.

Excitement was caused yesterday on Main street when the pop-corn roaster belonging to Loles Brothers caught fire. The fire department was close by and no alarm was necessary. Hand extinguishers were at first brought into play, but they did not seem to have much effect on the fire which burned very rapidly, so the large chemical engine was run out and soon extinguished the blaze. The loss to Loles Brothers will not be great as the wagon was not of much actual value, but its nearness to the surrounding buildings made fast work a necessity.

Meetings Today.

Regular meeting of Royal Rebekah lodge, in I. O. O. F. temple, this evening at 7:30.

The Jolly Ten Embroidery club will meet this afternoon at 2 o'clock with Mrs. H. S. Kerr, South Side.

Regular meeting of L. O. O. M. this evening at 8 o'clock at lodge rooms on Dietz street.

The Ladies' guild of the Lutheran church will meet this evening at 8 o'clock with Mrs. Myron West, Cleveland street.

CITY SCHOOL TAX INCREASE

HIGHER SALARIES FOR TEACHERS CAUSES THE INCREASE

A. E. Hewell Nominated to Succeed Dr. J. C. Smith as Member of Board of Education—Public Gardens Succeeds R. E. Swart as Public Works Commissioner.

At the meeting of the common council, held last evening, at which all members were present, the board of education submitted its budget for the next school year showing that its expenses will be \$121,524.40, that is estimated receipts are \$31,392.23, leaving to be raised by tax the sum of \$90,132.17, an increase over the amount raised by tax last year of about \$15,000. The increase is largely due to the increased salaries paid the teachers of the city in accordance with the law passed last winter. The library board also submitted its estimate of the sum needed for the coming year which is \$5,700, or about \$1,500 more than last year. Both estimates have been approved by Mayor Ceperley and will be levied. The board of education and the library board each submitted reports of the receipts and disbursements of the past year.

Mayor Ceperley announced the appointment of A. E. Hewell, assistant cashier of the Citizens' National bank, as member of the board of education to succeed Dr. J. C. Smith, resigned. The mayor also announced that R. E. Swart, who is now a resident of Pennsylvania, had resigned as a member of the board of public works and at his suggestion the resignation was accepted. The mayor then named Leslie Gardner to succeed Mr. Swart and the two nominations were unanimously confirmed. Both are representative young men, well qualified for the positions for which they have been selected and their appointments will meet with general approval.

Parking Limited to Half Hour.

City Attorney Becker, chairman of the special committee, presented a proposed new city ordinance relative to the parking of automobiles in the business section of the city, which was adopted. It will appear in an early issue of The Star. It prohibits the parking of cars for a longer period than a half hour on Main street between Grove and Elm streets between 9 a. m. and 6 p. m., for the six motoring months and also the parking of cars during the hours named on the easterly side of Dietz street from Main to Reynolds avenue during the same six months. It also confers upon the police commission power to establish prohibited zones to be suitably marked. In other particulars, the ordinance conforms to the regulations now in force, it is believed.

Poor Gas Corrected.

Mayor Ceperley reported that he had interviewed Manager Chambers of the lighting company relative to the poor quality of gas and that Manager Chambers stated that it was due to the poor quality of the oil the company has been able to secure. Mr. Chambers averred that the trouble had been remedied, it was thought, and that no further trouble would be experienced.

Propose a City Market.

Upon motion of Alderman Clark, the mayor was instructed to appoint a committee to investigate the project of a public market for this city and to recommend a suitable location. Mr. Clark asserted that many times producers in this section are unable to find a market there for produce they have brought in or are compelled to accept a price below that prevailing elsewhere. He believed the producers would profit and the consumer would be able to buy more advantageously by the establishment of such a market. Aldermen Clark and Bolton were named as such committee.

For Sale, City Homes and Farms.

Three bungalows, West End, a bargain. Modern house on West street. Large house on Elm street. Large brick house on Tilton avenue, bargain. We have a large list of good farms in Oneonta and Delaware counties. Business block on Chestnut street at a bargain. You will do well to see us for real estate. MAY FACE SERIOUS CHARGE

Chester Price Apprehended in Schenectady with Female Companion—Brought to Oneonta Last Night by Chief Horton—Will Be Arraigned Today.

Chester Price of this city was taken into custody at Schenectady on Monday by State Trooper Frank M. Hickey, and while he is wanted on the charge of adultery, he was arraigned there on the technical charge of vagrancy. With him at the time was Margaret Haver, who gave her address as Kingston and said that she was a factory worker and that her age is 18 years. Police of Schenectady assert that Price and the woman have been living as man and wife in a rooming house in that city.

When word reached Chief Horton yesterday that the couple had been taken into custody there and awaited the arrival of officers from this city, he hurried to Schenectady by motor car and brought Price to this city late last night.

It is not certain that sufficient evidence can be secured to bring Price to trial on the adultery charge. He may be compelled to face that charge and it is possible that he will be prosecuted on the charge which has been hanging over him for some time of leaving a board bill in this city. He will doubtless be arraigned this morning on the lesser charge.

RAILROAD MAN DIES.

Walter E. Compton Succumbs to Heart Trouble Monday Night.

Walter E. Compton of 1 Mitchell avenue died at 8 o'clock Monday evening in the Fox Memorial hospital, where he had been a patient for the past six weeks. The funeral will be held at his home on Thursday at 2 p. m. Rev. Dr. Charles S. Pendleton, of the Main Street Baptist church, officiating. Interment in the Plains cemetery.

Walter Eugene Compton was born in Madisonville, Pa., on May 10, 1882, and was the son of Mr. and Mrs. Albert Compton of that place. On August 6, 1902, he was united in marriage to Bertha M. Benjamin, after which he made his home in Pennsylvania until about eight years ago, when they came to Oneonta and he became an engineer on the D. & H. railroad. Besides his wife, he is survived by four children, Mrs. Lena Lane, and Edith, Ralph and Oren Compton, all residing at home.

For 17 years Mr. Compton had been a railroad man working at several different places, but being for the past eight years a respected resident of Oneonta and a prominent member of the local Brotherhood of Railroad Firemen. About eight weeks ago he was taken sick while at his work, and after remaining at his home for some time he submitted to an operation at the Fox Memorial hospital for appendicitis and a serious abscess. He was recovering nicely from this operation, but the strain was too much and a serious attack of heart trouble developed, which was the cause of his death.

Births.

Born to Mr. and Mrs. E. D. Evans, 95 Clinton street, Tuesday, an eight-month daughter, who has been named Leva Viola.

Born at the Fox Memorial hospital, Tuesday afternoon, to Mr. and Mrs. H. R. Parker of 31 Hudson street, a daughter. The father is receiving the congratulations of all his associates at The Star print shop.

THE HOME OF PURITY

MRS. W. H. FAY INJURED

May Have Sustained a Fractured Skull When She Was Thrown from Motor Car at Corner of Main and Draper Streets Yesterday Afternoon.

Mrs. William H. Fay of 9 Taft avenue was painfully injured and was rendered unconscious in a motor car accident at the corner of Main and Draper streets at about 4 o'clock yesterday afternoon. She is at the Fox hospital and while she has regained consciousness and it has been ascertained that no bones were broken, the full extent of her injuries cannot be stated at this time. It is hoped that they will not prove as serious as first thought, it being feared that she might have suffered a fracture of the skull.

With Mr. and Mrs. Charles Leflingwell sr. and Charles Leflingwell jr., all of Torrington, Conn., who are visiting at her home, she had started out for a ride to Cooperstown and return. As they came down Draper street and approached Main, the younger Mr. Leflingwell observed a car coming south along Main street, but as the driver appeared to be stopping this car, he proceeded out into Main street. At the same time the driver of the other car applied his power and attempted to pass ahead of the Leflingwells, finding however that another car was going east along Main, preventing it. The driver of the second car swung back upon his own side and crashed into the rear of the car in which Mrs. Fay was riding. She was thrown out upon the pavement and it was feared that she was critically injured, as she was unconscious. She was taken at once to the hospital, where Dr. Cutler is attending her.

The Leflingwell car was not overturned and aside from an injured hip sustained by the senior Mr. Leflingwell, the other occupants of the car were unharmed.

The other car was owned and driven by H. W. Schumann of 17 Jackson avenue, this city. Mr. Schumann could not be reached after the intelligence of the accident reached this office. It is, however, understood that his account of the accident does not differ materially from that given above. He is quoted as saying that when he attempted to stop, after finding that he could not pass ahead of the other car, that his brakes failed to work and he could not avoid hitting the car. Neither of the cars was seriously damaged.

Car for sale—Paige six, five passenger. N. Cipriano, 21 Division street. 1t

Sweaters, Fashion dictates sweaters for late summer and early fall wear. A limited number of sweaters for sale at a large assortment inspect the line of sweaters at the La Riva Shop, Washington street leave this morning 114 Main street.

SAMUEL A. JONES.

S. A. JONES OPENS FIGHT

FOR REPUBLICAN NOMINATION FOR MEMBER OF CONGRESS.

Confident Voters of District Will Decide Issue Rightly—Says Harding Will Carry Ohio by 100,000.

Former State Senator Samuel A. Jones of Norwich, candidate for the Republican nomination for Congress, last night defended the judgment of the present-day voter by declining to adopt the pessimistic outlook upon public affairs and instead vested him with courage to decide puzzling questions. He stated he leaves the disposition of the Congressional contest in this 34th district with the voters of the district, fully confident as to the outcome.

He further pointed out the need for each man and woman exercising the right of franchise, to use care and judgment. He believes the times demand legislators who have the courage of their convictions, and he believes that legislators should have had experience which will enable them to accomplish results. Having met in previous campaigns and personally spoken to at least 20,000 people of the district, he thinks he has thereby secured a personal contact which should greatly aid him in the campaign he is now opening. He pointed out that the people know of the record he made in the State Senate and the State Assembly and he believes they will be loath to select a new and untried man lacking legislative experience at a time when the greatest crisis in the nation's history demands unusual scrutiny. He is confident of the ability of the American voter to exercise a right-mindedness that will solve the perplexing puzzles of the exciting hour.

Senator Jones is just back from a business trip to the middle west and northwest, where he has been marketing the fishing lines produced by the Newton Line Company of Homer, which he is the vice-president. His late business partner, M. A. Whiting of Homer, was secretary and treasurer of the company. Mr. Whiting was killed in a New York Central wreck at Schenectady, June 8. The Senator is stopping at the Hotel Arlington, opening his active campaign for the re-election of number of enrolled Republicans and they may be filed anywhere between now and August 17.

Mr. Jones was enthusiastic over the chances of United States Senator Warren G. Harding, the Republican nominee for President, stating he had come direct from Ohio, and that he found in that state the current of public opinion bearing strongly in favor of the Senator.

"Without the least doubt, Mr. Harding will carry that state by at least 100,000 majority," he said. Mr. Jones gleaned this information from direct contact with voters and leaders and states this opinion is only what all well-informed Republicans of that state believe. At Cleveland, O., he saw Senator Harding at the railroad depot for a few minutes.

From this city, Mr. Jones will visit in succession, Delaware and Otsego counties. He will spend several days canvassing the voters of Broome.

for Port Henry, called there by the death of Mrs. Pidgeon's brother, Frank Gebo, who was killed in a railroad accident.

Mrs. Hattie Graves of 9 Harmon avenue leaves this morning for an extended visit with friends in Troy. Her daughter, Mrs. George C. Paine, accompanies her, returning this evening.

Mr. and Mrs. J. L. Collier, son and two daughters and Mrs. Collier's mother left Tuesday morning by auto for Waterbury, Conn., where they will be guests of Mr. Collier's brother for a few days.

Yes, Corset Satisfaction—

In a Roberta Laced-in-Front Corset

We only ask you to try the first Roberta.

After you have worn a Roberta Laced-in-Front Corset you will use all your intimate friends to do likewise.

Roberta Laced-in-Front Corsets have done more to give women beautiful figure than any other Laced-in-Front designing.

Roberta designing eliminates the "broad" effect across the low back, giving you a more slender appearance.

The slightly accentuated waist line and gentle nip in front at side give a natural figure line, avoiding the "boxy" effect in front about the waist.

Roberta designing makes possible a corset for every figure—tall, short, stout or slender.

The Shield under laces is self-adjusting, protecting the body.

CARRY INSIGNIA OF HONOR

War Department Has Decided That Planes Shall Retain Distinguishing Marks Earned in War.

Buddy back on the farm is going to get an awful shock one of these days when he looks skyward during a lull in the plowing. A plane is going to appear overhead and he will instantly recognize the insignia painted on the fuselage of the stellar aero squadron that worked for his division at the time they were hoeing their way through the Argonne. In the Home Sector, Frederick J. Darle says: "The decision of the war department to retain the distinguishing insignia will in any event make the identification of the planes easy for civilians. More and more the army planes—old as they are—are undertaking long flights. They appear unexpectedly over cities far from their stations and many a farmer these days sees a gargantuan propellered beetle settle down in his back pasture. When an army plane comes flying by or lands near us, we will soon look for the insignia, just as everybody once looked for the state automobile license tag when the tourist's dirt covered auto passed. When the pedestrian sees a plane decorated with the painting of a kicking mule, a silhouetted, scythe-swinging skeleton or a witch astraddle a broomstick, he may wonder what battle record the insignia stands for. He may guess rightly that the tiny winged elephant on a plane is a sarcastic commentary on the plane's speed, but he probably would like to know whether this plane is from a burden-bearing squadron that hauled tons of bombs over the lines to drop them on German railway junctions."

THE RAILROADS NEED IT.

But Business Men and Consumer Pay Increase in Freight Rates.

The railroads need the 40 per cent increase in freight rates that has recently been granted them. But how will it affect the business man and the consumer?

Our commodity weighs about 100 pounds to the cubic foot, thus anyone can guess very closely how it will affect our line, also the consumer.

With from 32 1/2 per cent to 50 per cent increase in wages and rough stock, taking effect June 14, and now adding 40 per cent freight rate increase on this heavy material, certainly will make it clear to anyone needing monumental work, that in buying a monument at last year's prices (which we are selling stock on hand as long as it lasts) will save more than 33 per cent, as previously stated.

Since our last announcement on July 24, the following people have taken advantage of this unusual opportunity:

It is needless to say that all monumental work made to order now must carry with it increased price proportioned to the above mentioned advances.

Dawley & Wright.
47-15 Broad Street, Oneonta, N. Y.

D. E. Robinson

Has another fresh stock of tires: Fisk, United States, Firestone, Ajax, both cord and fabric. It will pay all who want real value to call and look the large stock over. You can find what will save you most miles for your money. I also have a fresh supply of dry cell batteries, every one good, and hundreds of other supplies. Always remember, that I stand back of everything I sell as well as the different companies. Help the man that always helps the trade. Best gas, best oils at much under the prices which would prevail if I were not in the business. This is why you should buy of me.

We wish we could show everybody just how Hygrade Brand butterine is made. Since this is impossible, we wish everybody would try some. Its pure, delicious goodness tells the story.

Opportunity day. A chance to get a hat at a very low price at the LaRue Shop, 244 Main street.

Ira S. Sweet, practical horse-shoer, at the Windsor, Oneonta, Sept. 1; Eagle, Norwich, Sept. 4.

Wanted—At once, dishwasher at the Dairy lunch.

LIGHT REACHES US FROM FIRE 200,000 YEARS AGO

Harvard Astronomers Observe Developments in Connection With Celestial Conflagration.

Developments in connection with a celestial conflagration that took place more than 200,000 years ago are being observed with marked interest by Harvard astronomers. The conflagration or "flare" took place inconceivable millions of miles from the earth—a distance so great that its light rays are just reaching here.

The attention of the Harvard scientists was attracted to the matter by the announcement by Lick Observatory of California that an enlargement of the diameter of the arc of Nova Aquila had been noted. About two years ago "nova," or new star, appeared in the constellation Aquila. According to theory this nova was caused by the collision of a small star with a "dark nebula," the friction causing a great conflagration or flareup.

The illumination would travel through space at the rate of 186,000 miles a second. Astronomers were able to estimate how far away the spot was by recording how long it took for the bright spot to attain a given size. It is computed that the flare is 217,120 "light years" distant from us. A "light year," which is the distance traveled by a ray of light in 12 months, is approximately 5,881,000,000,000 miles. This number, multiplied by 217,120, gives roughly the distance from earth to Nova Aquila.

It is obvious that the collision causing the light now being seen more clearly occurred more than 200,000 years ago.

Minirose Buried Yesterday.

The funeral of Dominic Minirose was held yesterday morning at St. Mary's Catholic church with Father Noonan officiating. Services at the grave in Mount Calvary cemetery were in charge of the local post of the American Legion, of which there were a representative number present. Beautiful wreaths of many and numerous designs were sent by friends and associates of the young soldier. Many friends were present to pay their last respects to a valued friend. Several relatives from out of the city were present, among whom was an uncle of the young man, Nicholas Minirose, of New York city. Vincent Faron, Nicholas Rizzo, Angelo Staltari, Sylvester Veldomoni, Eugene Chiorcelli and Nicholas Moffre, all friends of Dominic when he was in Oneonta, acted as bearers.

Father of Mrs. Crandall Dead.

Mr. and Mrs. George C. Crandall leave this morning for Lowell, having received word yesterday of the death of Mrs. Crandall's father, Nicholas J. Lombard, who had lived until Sept 15th would have been 90 years of age. He was long one of the prosperous farmers of Lewis county, but for the past 15 years has been retired, turning over the management of his 500 acres to his two sons.

Satisfactorily Settled.

The case of F. M. Sigbee, board bill jumper, was satisfactorily settled yesterday morning by Mr. Sigbee. He was apprehended several days ago on a charge of jumping a board bill held by Mrs. Jennie Coats of Dietz street and was taken before City Judge Huntington, who adjourned the case until yesterday morning, at which time Mr. Sigbee settled the bill.

Used Auto Bargains.

Maxwell roadster; Overland six-cylinder touring, with Continental motor; Overland light delivery; Saxon six-cylinder touring; Elcar four-passenger, six-cylinder, Continental motor, a dandy; Ford coupe, looks like new—All at bargain prices. Cars in fine condition. Fred N. VanWie. 6t

In Memoriam.

In loving memory of my husband, Charles A. Seaburg, who died August 4, 1919. At home in the beautiful hills of God by the valley of rest so fair. Some day, some time, when my task is done and silently sinks life's western sun, with joy I shall meet him there. His Wife.

It's a safe bet that you cannot name a more regular systematic winner than the Stetson cigar. They never fan or flake. Always there with the goods. Quality never sacrificed. They will suit.

The Economy of Using Goodyear Small Car Tires

So-called bargain tires, made up for sensational sales and offered at ridiculously low prices, do not attract careful buyers.

They are far more concerned with what they get than with what they pay because they know that in the end it is performance and not price that delivers actual tire economy.

The popularity of Goodyear Tires, of the 30x3, 30x3 1/2 and 31x4-inch sizes, is based on the fact that they deliver exceptional mileage at exceedingly low cost.

If you own a Ford, Chevrolet, Dort, Maxwell or other car taking these sizes, go to your nearest Service Station for Goodyear Tires and Goodyear Heavy Tourist Tubes.

30 x 3 1/2 Goodyear Double-Cure Fabric, All-Weather Tread \$23.50

30 x 3 1/2 Goodyear Single-Cure Fabric, Anti-Skid Tread \$21.50

Goodyear Heavy Tourist Tubes cost no more than the price you are asked to pay for tubes of less merit—why risk costly casings when such sure protection is available? 30 x 3 1/2 size in waterproof bag \$4.50
